## Facts

① On 6/16/16 I Filed a grievance against Case Manager Knight and Supervisor Cephas from the Kintock Facility, for informing staff and inmates, and also staff at the Northeast treatment Center, Casemanager Knight and Supervisor Cephas informed the following staff about my juvenile conviction for indecent assault. They informed all the staff at Kintock.

② Supervisor Cephas and Casemanager Knight also Manipulated my Social Passes and Program Passes, so I could Not leave the building. Casemanager Knight on Occasions Would Not Put in my Passes and when I tried to Contact her or Supervisor Cephas they Wouldnt answer these phones.

③ I was informed of this information from an Inmate at Kintock Facility and he also attended the Northeast treatment program with me. He told me he was told this by Supervisor Cephas.

④ On 6/17/16 I talked to Assistant Director Guyon and Director Davis, from the Kintock Facility. I informed them of the problems I was having with Casemanager Knight and Supervisor Cephas.

⑤ Even though I talked to the Directors at Kintock Facility I was having problems with these staff, I filed grievances on 8/16/16, 10/16/16 I filed more but I lost alot of Paperwork from being Moved around.

⑥ Then around early November 2016, I Contacted Zakia Johnson from the Department of Corrections. I explained to her the problems I was having at Kintock. I also informed her that I was being targeted for my juvenile conviction of Indecent assault.

⑦ Ms. Zakia Johnson told me that she Would look into it, and that she had to got to Kintock anyway the following week.

⑧ The Next time I talked to Zakia Johnson Was about a week and a half later, because she Never answered her phone. When I talked to her she informed me that she talked to Director Davis and that he Denied anything Was going is what she told me.

⑨ I still Continued to have Problems so I Continued to file grievances.

⑩ In the end of November 2016, I returned from work and I was told to Pack my things I was moving to CEC Broad st.

⑪ When I arrived at CEC Broad st immediately I was targeted by Director Garcia. Director Garcia Removed my sheets from my bed for no apparent reason. I was told by my room mates that Director Garcia asked who slept there and just removed the sheets. When I talked to Ms. Garcia and asked about my sheets she didnt respond she just replaced My sheets with old ones instead of the New ones I had.

⑫ On the Second day when I arrived at CEC Broad st, I had Orientation with my Counselor Rhene Patterson. During my Orientation Ms. Patterson made a Joke about Oral Sex Pertaining to my Indecent assault.

⑬ In December 2016 I started having Problems with my Counselor Rhene Patterson. Ms. Patterson would not Put in my Work Passes. Ms Patterson would inform me when I went on Passes that I had to return to the Facility by 7Pm when she in fact Submitted my return time in the Computer for 6Pm. So I could be Subjected to Disciplinary action. When the staff that Worked the Front Desk asked what Did she Submit she stated she didnt remember.

⑭ In January 2017 I was in the Process of Finding a room so I Could Submit a home plan. I found a good in the Paper for a room called the add I talked to the Owner of the Property while I was at work. I talked to the owner he asked me Some Personal Questions to try and get to know me a little bit and he then informed me that he wanted me to come and See the room after work. See back →

I then ~~if~~ returned to the facility after work and provided my Counselor Ms. Patterson with the Phone Number and address so she call and verify where I was going. I then waited for about an hour to give her time to call and get Verification. I then called the Property Owner to find if he was contacted because he said he would wait around the office for me to come. He then informed that he talked to Ms. Patterson and that he thought it would not work out now because I have serious Charges On my Record from what he was told by Ms. Patterson:

⑮ I October 2016, I started working with a ~~agency~~ agency called Jennifer Quinn staffing, through this agency I started working for areaa recycling, in the Port Richmond Section of Philadelphia. When I started working at Jennifer Quinn staffing, Ms. Jennifer was notified by the Employment office at Kintock these office retained Ms. Tingle and two other female staff who's names I can't remember at this moment. With this being said Areaa Recycling was aware of my juvenile conviction but they seemed not to care too much about it. My Supervisor Michael Knight was a fair boss and he told me on numerous occasions about the good work I did and that he wanted to teach me different things in the company.

⑯ On or about the middle of December 2016 around 3-4:30pm I was leaving work at Areaa Recycling. I was waiting for the bus on Richmond St, I rode the 73 bus to the Richmond St and Allegany Ave stop so I could board the 60 bus, which is like a six block ride about ten minutes. When the 73 bus arrived, it was a black female bus driver who usually drives the 73 bus around this time every day. I spoke to her and walked to the rear of the bus and stood near the rear exit talking on the phone with a friend of mine.

⑰ About four blocks into the ride a woman and her two children was exiting the bus, as they walked to the Side Walk, I was taking on the phone but looking in their direction for about 10 to 15 seconds as the bus started to go through the intersection. I began to look forward again, when I ~~looked~~ looked forward the bus driver was looking at me through her rearview mirror with a grimace and look. I then continued with my phone conversation.

⑱ When the bus reached Richmond and Allegany stop I walked to the front of the bus to exit ~~because~~ because the bus was partially in the street. When I walked down the aisle she jammed on the brakes to make stumble, then she looked at me nervously.

19 The reason for me saying this is because right after that incident, I started seeing officers posted on Richmond St where I caught the bus at. I also seen them every where I went.

20 This bus driver must of reported to the police and Septa that she thought she seen some suspicious behavior from me, and told them where I catch the bus at.

21 They figured out where I worked because I always come the same way, I walk from Richmond St, Down Lewis St to Delaware Ave where Arcaa is located. When this all happen I was at Arcaa for 4 months. This is how they found out who I was.

22 When they found out who I was through my employer, I'm pretty sure they found out I was in a facility and I had juvenile conviction for indecent assault. They figured they was on to something.

23 Then shortly after that I was layed off of work in late December 2016 they claimed work was slow. Arcaa Recycling Recycle refrigerator and buy and sale refrigerant gas they also clean gas for a fee or clean it and resale it, they always have work.

24 With this all being said, this what brought Septa Police, and Philadelphia Police, and Upper Darby Police into the equation. This is the connection with Department of Corrections and the Board of Probation of Parole and the above officials. The Upper Darby Police was notified because my mother lives in Upper Darby and that's where I was taking my furloughs.

25 Then on 1/11/17 I was moved to Kalman Hall. I was told we were being moved for construction reasons, they were redoing the floor on the third floor. When they did construction on the first and second floor nobody was moved to another facility. Kalman Hall is considered a high security facility, that's where people were put when they ran from other facilities.

26 On 1/15/17 I was returning from a Job Search Pass between 4:00<sup>pm</sup> and 6:00<sup>pm</sup> and I was informed by the staff at Kalman Hall that I had to be Script Searched. The two officers that Search me ~~was~~ were both from the Country of Africa but I Don't Know there Names. I was Script Completely Naked and had to Spread my Butt in front of them for No Reason.

27 On 1/16/17 and 1/21/17 I was subjected to the same Searches for No Reason. They used these Search as a way for you to Refuse the Search by doing them excessively to trigger a Disiplinary action then I would have to remain at Kalman Hall if I got Written UP for refusing the Search.

28 I Contacted Zakia Johnson on 1/16/17 after the First Search On 1/15/17 and I still was Script Searched again on 1/21/17.

29 Ms. Zakia Johnson moved around 13 inmates to Kalman Hall with me to not single me out, and we all was Subject to these Searches and we all constantly complained. Whoever was Written UP Remained in Kalman Hall the rest of the inmates was Moved back to CEC Broad on 1/24/17.

30 When we returned back to CEC Broad in the month of February 2017, I was Subjected to another Script Search by officer Barclay, and Director Clark

31 Prior to going to Kalman Hall, I Never seen or was Subject to a Script Search at CEC Broad. Around this time is when Director Garcia of CEC Broad was relocated into another facility. That's when Zakia Johnson, Put Director, Clark there and that's when I was subjected to a Script Search at CEC Broad. It's Clear to Me that Zakia Johnson sanctioned these Searches, by her Putting in a New Director to Do them.

(32) In the month of February 2017, I started taking furloughs, I took furloughs every week up until 9/27/17. With in this time frame is when, I started seeing Upper Darby Police trail me. I would see Upper Darby Cops as soon as, I left my mothers house to go to the stores or anywhere else. This is one of the things that let me know they were tracking me. On some occasions I would leave my mothers house and leave my phone in the house I never would see them then. Then I started noticing strange behavior from the stores I frequented from the Owners. I was in a store called luckys on long lane in Upper Darby PA. I went in the store looking around for items to buy with my back to Ms. lucky while she talked to a Female Customer, I quickly turned around and she was pointing me out to the Female Customer. When, I looked at her she looked frightened I brought my items and left. On Sept 16th 2017 I went back to and talked to Ms. lucky who I have known since 2008 and asked if the police came and told her something she said yes, and I informed her when I actually was arrested for it and that she does not have to be afraid of me. Under the authority of Michael Chitwood several officers from the Upper Darby Police, tracked my phone on numerous occasions, they also informed several stores I frequented and also some of my Neighbor of my indecent assault and is causing alarm in the Community.

(33) On 4/11/17 I Filed a grievance against Zakia Johnson addressed to her Director Richard Driesback for allowing Unreasonable script Searches, and for allowing staff to sabotage My employment which keeps me from obtaining a homeplan. Ms. Zakia Johnson was aware that I had no homeplan to go to, and that I had to rent my own Place to get a homeplan. After Complaining to Zakia Johnson, about my Counselor Ms Patterson and unreasonable Searches and that they would not let me obtain furloughs at that time. Ms Zakia Johnson Didnt respond to my calls or grievaces.

(34) On 5/25/17 I Filed another grievance addressed again to Richard Driesback for not receiving a response on the grievance, I Filed on 4/11/17. I also called and left messages with his secretary.

(35) On 6/14/17 around 8:00 am, I received a Phone Call from Director Driesback. He asked me what was the problem, I stated to him that I was waiting on a response for the grievance I filed on 4/21/17. Mr. Driesback stated to me that Ms. Zakia Johnson was looking into that grievance. I was clear to me out that point that Mr. Driesback never read the grievance, if so he would have known the grievance was against Zakia Johnson.

(36) In reference to the grievance I filed on 4/21/17, I spoke with Zakia Johnson on numerous occasions about speaking with Director Driesback about my grievance, she would tell me she don't know anything about it, and that Ms. Driesback was always out of town. After speaking with Director Driesback on the 14th of June 2017, I also called Ms. Johnson to confront her about the grievance she had in her possession, but she told me she didn't know anything about it. When I talked to her on 6/14/17 around 9:30 am I told her Mr. Driesback said she had the grievance I filed on 4/21/17 addressed to Richard Driesback, Ms. Zakia Johnson made a kinda gasping noise, then she again stated she didn't have it.

(37) Exactly the next day 6/15/17 I received a response for the grievance I filed on 4/21/17 after speaking with Zakia Johnson.

(38) On 6/21/17 I filed another grievance against Zakia Johnson for violating Department of Corrections policy, by investigating a grievance she was directly involved in, for manipulating the grievance process for holding the grievance for 2 months well over the time frame to respond to a grievance.

(39) On 7/30/17 I wrote Richard Driesback a letter stating, that I was waiting on a response for the grievance I filed on 6/20/17 I never received a response from Director Driesback.

40 I then called the Department of Corrections in Mechanicsburg, PA and spoke to Olivia in the CEC Department in that building, on 7/30/17 telling her I could not get a hold of Director Driesback for my grievance. Ms. Olivia told me she would email him.

41 I first started having problems with agent Sciliani in April 2017. The problems I was having with agent Sciliani is, when I first submitted a Pass for my furlough she would never respond, I called left messages never no response, I had to call her supervisor to obtain my furlough. This is what caused friction between us.

42 Agent Sciliani also contacted All Staffing Warehouse which is a fork lift company in which I got my fork lift certification from. They gave me a job afterwards. I had to get permission from agent Sciliani to go to this company because it was out of County. I went to all staffing warehouse on 4/10/17, they told me they had a job for me to do, gave me the location to the site. I then returned to CEC Bred and provided my ~~the~~ Counselor Ms. Patterson with my work Pass. On 4/11/17 I called All staffing warehouse to ask who was my contact person at the job site he stated he no longer had the job for me.

43 Agent Sciliani and my Counselor Rheneae Patterson and Zakia Johnson all conspired to sabotage my employment and my reentry back into society. These following state employees used their job position to sabotage my reentry by using information they had ~~access~~ access to because of their job position. Every job I was hired at had access also to this information but if they had a problem with it I would have not been hired.

44 Agent Sciliani and Rheneae Patterson was in constant contact with SQ Staffing to sabotage my employment with the help of Jennifer Quinn owner of SQ Staffing. When I received jobs through SQ Staffing and the Counselor find a reason to find ~~a~~ a reason to fire me I was layed off to keep me from renting a apartment to get a home plan.

(15) Then In the Month of June 2017, I was informed that CEC Broad was being closed down for reasons I don't know. This caused me to be moved to another Center unless you had a homeplan and I didn't.

(16) During the Process of CEC Broad was being shut down in June 2017, we were also being told to try and find a Homeplan anywhere we could because of the Over Crowdedness in other Centers. On 6/14/17 I was informed about a program called Houses of Healing which is a Recovery House. I went pass this program on 6/14/17 to see if I could be enrolled into this program. I spoke with Steve Pina, and Bernice Swans, Rashida Simpson Directors of this program and went through the Orientation and they accepted me to come to this program. They provided me with acceptance papers and the house address I would be staying at so I could submit a homeplan. I then returned to CEC Broad and submitted a homeplan form to My Counselor Ms. Mearae which was Now my New Counselor because I was having Problems with Ms. Patterson. Ms. Mearae forward my Homeplan form over to agent Seiliani through email I called agent Seiliani and she said she received it on 6/14/17.

(17) On 6/14/17 I also contacted Deputy Pullis of Probation and parole and explained to him about the Problems, I was having with agent Seiliani and that I just put in a Homeplan and I didn't want it tampered with because of Past Problems with agent Seiliani. Deputy Pullis informed me that agent Seiliani will not be the one doing the Homeplans.

(18) On 6/16/17 I talked to agent Seiliani Supervisor Ms. Pierson and she explained to me that my homeplan was assigned to a agent so they would be out to check the Homeplan soon. I then asked who was the agent and she explained she couldn't tell me.

Case 2:17-cv-04471-DSC Document 6 Filed 11/27/17 Page 15 of 107

49) On 6/30/17 I contacted the Program Houses of Healing and talked to Bernie Swans, and asked if he heard anything from them yet, He informed me that a lady agent came out to the Property and left a card. He then said a staff that was at the house at the time has the card and he has to get the card and call the agent.

50) On 6/23/17 I called back to Parole ~~the~~ office and spoke to agent Sciliani Supervisor Ms. Pierson, and she informed me that the report said nobody answered the Phone, so the Homeplan was Denied.

51) On 6/23/17 I also called back to Program Houses of healing and He told me he left a message with the agent and haven't heard back.

52) On 6/26/17 I called back to Houses of Healing and Spoke with Steve Ping and Bernie Swans and they informed me that they has contacted by agent Sciliani and informed them about my Post Juvenile Record and that I need to be Careful befor I get Violated and Sent Back to Prison.

53) On 7/19/17 I Filed a grievance against agent Sciliani and Deputy Fullish, for Sabotaging my Homeplan, Agent Sciliani ~~had~~ had again informed someone about my Post Juvenile Record she done this over the Phone

54) On 7/30/17 I ~~was~~ called Probation and Parole, after waiting the 15 standard days for a response to my grievance I filed on 7/9/17. I talked to a Secretary from that office and I was told Deputy Fullish had retired and that there a New Deputy Named Deputy Cooper. Theron 7/30/17 I wrote Deputy Cooper a letter, informing her on the problems I ~~was~~ was having with agent Sciliani. I never received a response from Deputy Cooper,

65 On 9/25/17 I had submitted two Passes to my New Counselor Pat Crosson at the Self Help Facility. One of my Passes was to go to the District Court of Philadelphia on 9/27/17 and the other one was for going to the Law Library on 9/26/17. On the Same day I Filed my Complaint on 9/27/17, agent Seilian took away my furloughs. She said she did it because I wasn't sitting in Home Plans when in fact she knew I put in a Home Plan on 6/14/17 and she knew why it wasn't approved. Agent Seilian knows I have been placed to go, and she knows I won't have NO where to go in the future with her sabotaging my employment. She's using this as a reason to take my furloughs after I've been getting them for months.

66 On July 2017 while at Self Help Facility I started working for a agency called People Ready with several Branch offices. I was hired out of the Bristol Branch office. I took ~~that~~ this particular type of Job so I could pay my Day to Day expenses because of them Sabotaging good Jobs. ~~But~~ I wanted to wait until I had my Day in court, to get a Job good enough to afford a Home Plan.

67 The Department of Probation and Parole along with agent Seilian and the Department of Corrections along with Zakia Johnson and Richard Driesback, who over sees all the CC Centers in Philadelphia. Zakia Johnson and Richard Driesback are over the Directors who runs the day to day in these Centers and they are the bosses of all the counselors in the Centers. These following state employees are using there Jobs to Sabotage my reentry, by forcing staff at the many Facilities I've ~~been~~ been in to inform any one I come in contact with to inform them about my Past Juvenile Conviction.

(58) I also would like to add that Deputy Cooper is assisting agent Scilian in sabotaging my reentry for stopping my furloughs, With out a fair reason. I was Deprived of my furloughs on 9/27/17 approximately. Day after I Filed my Complaint IN District Court as a form of retaliation and intimidation. When I asked Deputy Cooper about my furlough and asked ~~her~~ her did come from the head office in Harrisburg, she refuse to answer the question. I then filed a grievance against ~~agent~~ agent scilian on 11/1/17.

(59) Very early on is when I realized my People Ready job was targeted by my agent scilian and My Counselor Pat Grosson is when I started working for Waste Management through People Ready. I would experience the female staff wouldn't walk near me and be kind of stand offish. Also by the treatment of my supervisor. I eventually quit because I was being over worked. Working with People ready I would meet alot of People and agent scilian and My Counselor Pat Grosson and People Ready Branch offices, Bristol, Conshohocken used this as a Method to further ~~expose~~ expose me. I lost jobs because of this one in particular NX Utilities when they informed the job supervisors about my juvenile history they didn't want me to return, this took place 9/12/17.

(60) Not Only Did agent scilian and My Counselor Pat Grosson wanted to mess up my current employment along with People Ready staff at the Conshohocken office and Bristol office, they also wanted to diminish my work history. One Example on 10/30/17 I worked for a company called Regular Logistics through People Ready. My work supervisor was named Ceaser, I was scheduled to work ~~until~~ until 5:30pm. I talked to Ceaser and told him I might have to leave early because I wasn't feeling ~~well~~ well. Ceaser informed me that it was okay to leave early. I needed to. When I left the job at 3:30pm around 4:00pm I received a call from the ~~company~~ company.

⑥ On 10/31/17 Agent Sciliani shows up around 4:00pm requesting to see me. When I sat Down to talk to agent Sciliani she asked me where I worked, I said agent Sciliani you see me every month and Document where I work. Agent Sciliani then said I could not go to work until I verify where I work. Again agent Sciliani is using her position to Violate my rights agent Sciliani is clearly in Contact with my employment and Clearly is trying to Prevent me from talking to Ceasar because the People ready office lied to Deprive me of that job because I Clearly Have witnesses if Ceasar Says I Didn't inform him that I was leaving. I then Called Agent Sciliani's Supervisor on 10/31/17, and agent Sciliani was Removed from my Case load. Ever Since 10/30/17 they havent been Calling me to work.

### III. DISCUSSION

In *Tabron v. Grace*, 6 F. 3d 147 (3d Cir. 1993), the Third Circuit outlined a set of factors a court must consider when determining whether to grant appointment of counsel in a civil case. As a threshold matter, a court must first determine whether there is some merit to the plaintiff's claim in fact or in law. *Id.* at 155. Here, there is merit in fact and law

because: I included Dates and Times and Names of People who will help me prove my Case of Violation of my Constitutional rights.

A court then must examine a multitude of factors. The plaintiff's ability to present his/her case is a significant factor. Thus, a court should review plaintiff's literacy,

education, legal experience, and ability to speak English. *Id.* at 156. In addition, a court evaluates whether the plaintiff can properly litigate his/her claim considering plaintiff's conditions of confinement and whether these conditions create a severe disadvantage to discovery. *Id.* Also the complexity of the legal issues and research, and any limitations affecting factual investigation are evaluated. *Id.* Finally a court looks to whether there is a credibility determination involved that requires experienced counsel to present evidence and conduct cross examination. *Id.* As a result the court determines whether these factors affect the ability to properly litigate the case. *Id.*

In the present case [Explain any issues that were discussed above that apply to

you.] Being as though I'm in this facility is the reason I can't afford a attorney, I don't have access to all the books I need the financial means to get copies

The reason for this grievance is that Ms. Zakia Johnson, from the Department of Corrections. Has Violated my 4th, 8th, 14th amendment right under the United States Constitution. Ms. Zakia Johnson has Violated my 8th amendment right By using, Cruel and Unusual Punishment By Violating my Dignity and Causing Me Humiliation. Ms. Zakia Johnson assisted and allowed CCC centers Kintock, Colerick Hall, and CEC Broad to tell staff and also inmates that I was charged with a indecent assault charges as a Juvenile. Ms. Zakia assisted by Moving Me to Different Facilities to further expose Me. When I was in these Different Facilities I was targeted By staff and Discriminated against By my Counselors. They Discriminated against me By Sabotaging My employment By informing them of my Past Charges, Manipulating My ~~passes~~ passes, Being excessive when It came to Paying my Court Cost and Fines By taking My Social Passes, ~~They~~ They was targeting Me through these rules By Depriving Me of my Privileges if I was cents short on My Payment when Kintock and also CEC Broad St. Was Not Paying My Court Cost and Fines. When I was moved to these Different Facilities They Violated My 4th admendment right to Constant Unreasonable Naked Searches all under the Watch of Ms. Zakia Johnson with the intent for me to receive a Disiplinary action. Ms. Zakia Johnson also was manipulating the grievance process By Not Properly Investigating grievances and also By Moving Me or the staff that I Filed a grievance against. Ms. Zakia Johnson Abused her Authority and Discretion and also Violated her Code of ethics and her employment Contract. With this grievance I will provide you with Numerous grievances from Kintock and CEC Broad of Numerous Problems I was having. Ms. Zakia Johnson has been allowing these Facilities and also my Parole agent to Deprive Me of my furloughs, Sabotaging my Employment which prevents me from getting a home plan

GRIEVANCE

7/10/17

Page 2

Ms. Zakia Johnson has clearly been violating my constitutional rights by sabotaging me through these facility staff. I also have been sabotaged also by my parole agent Seilian who I have to clear all my travel passes through my parole agent Seilian for out of County work and furloughs. I was eligible for a furlough on 4/10/17 Ms. Seilian or her supervisor ~~Ms. Pierson~~ Ms. Pierson answered my calls for me to receive my furlough on 4/17/17 I talked to Ms. Seilian and she asked for my phone number I gave it to her so apparently Ms. Seilian and Ms. Pierson was screening there calls because everybody else that was suppose to go on a furlough got a hold of them and went on there furloughs. Its apparent to me that Ms. Zakia Johnson ~~Does Not~~ Want me to receive a home plan or go on any furloughs I have been target by staff and my parole agent so I can not receive these furloughs when they are not successful in sabotaging me the refuse to respond to my request. I feel this is a abuse of authority because if I don't do what is requested by these authority figures I'm subject to disciplinary action and loss of privileges or sent back to prison.

I received my initial response from the Grievance office/coordinator on 6/15/17 for the grievance filed on 4/21/17 and have the following issues to appeal.

1. According to DC-ADM (C)(3) states: The staff Member who serves as the grievance officer shall not be directly involved in or named as the subject of the grievance in Section A and/or B of DC-ADM-604, Part-1. This policy and procedure was not followed. When I was informed by Director, Dreisbach that he turned the grievance I filed on 4/21/17 over to Ms. Zakia Johnson who in fact that grievance was about. There for this grievance was not properly investigated and violates Policy.

a. According to DC-ADM (5)(g) states: The response shall be provide to the inmate with in 15 working days from the date the grievance was entered into the Automated Inmate grievance tracking. I filed another grievance in reference to violation of this policy on 5/25/17. I later received a phone call from Director Dreisbach on 6/1/17 at 7:58 am, in which he explained to me that he did not know exact details of the grievance and that he gave it to Ms. Zakia Johnson to handle. Ms. Zakia Johnson tried to manipulate the grievance process by not responding to the grievance until I called her on 6/13/17 8:46 am and informed her that I was notified by Director Dreisbach that she had the grievance. I then received my initial review response on 6/15/17 by CEC Broad Director, Clark when I received my response I seen that the dates was manipulated to cover up that she violated Policy DC-ADM (5)(g)

## Inmate Final grievance Appeal

Inmate #	Name	Facility

I Never received my Initial review response for the appeal I Filed on 6/20/17 to Director Driesbackh after Writing and calling to request a response for the ~~the~~ issue's that was Not addressed in the grievance filed on 4/21/17. Im Filing this appeal to again inform this office that Im being targeted By the Department of Correction by Richard Driesbackh, Zakia Johnson and Im also am Being targeted By the Pennsylvania board of Probation and Parole, agent Sciliani and also the Deputy's that run that office Deputy Pullish and Deputy Cooper. They are Violating my Constitutional rights and targeting me By:

1. Violating my 4th amend right By giving me unreasonable strip Naked Searches on 1/11/17 and 1/13/17 at the Coleman Hall Center.
2. They Violated my 8th and 14th By sabotaging my Employment and my Home Plan in order to Keep me in the halfway house to eventually Send to Send me Back to Prison. This is Being Done By informing staff and inmates and my employers about my Past Criminal History. Which is Cruel and unusual Punishment and also Discrimination and also Violates my 14th amendment equal Protection under the laws.
3. Due to this Im being targeted By local law enforcement to send me Back to jail Because of Past Criminal history Because of This.
4. The Department of Corrections and Pennsylvania Board of Probation Board are sabotaging my employment With the Ultimate goal is to Keep me from receiving a home plan and also they are trying to force me to Pay money they Know I Dont have to use this as a tactic to Violate my Parole When they are in fact Keeping me here.
5. On 6/14/17 I Put in a home plan to recovery house Called Nu-stop they gave me Documentation telling Me that I was accepted into the Nu-stop Program I submitted the Home plan Paper Work

Robert Grayson

8/28/17  
2 of 2

I also contacted Deputy Pullish from the Pennsylvania Board of Parole to inform him that I submitted a Homeplan and I also explained to him of the Prior Problems I was having with agent Sciliani. When in fact agent Sciliani is the one who handled my Homeplan, even after receiving Documentation that I was accepted into this Program my Parole agent Sciliani told me it was denied because the Program I didn't answer the phone, then it was that they didn't have a proper lease.

6. Ms. Zakia Johnson violated my 14th amendment by abusing her authority by moving me to Different Parole Centers to further exploit this information about my Criminal Back ground.

7. Ms. Zakia Johnson also allowed these staff to contact my employees therapist, my Doctors office.

8. I was informed by ~~Ms. Zakia Johnson~~ that they are suppose to inform the staff of this information there's nothing in the Policy that says inform my employer, or inmates, or Doctors office etc. that states this.

9. None of my grievances I sent to the Department of Correction was properly investigated or responded to because Ms. Zakia Johnson had them in her possession while Director Driesbach was busy in the field Ms. Johnson was investigating her self.

CASE NO: 17-4371

BRIEF IN SUPPORT OF PLAINTIFF'S MOTION  
FOR APPOINTMENT OF COUNSEL

**I. INTRODUCTION**

Plaintiff [name] Rodrick BrayBoy request that the Court to

consider the facts of the case and determine that appointment of counsel would promote the ends of justice. The plaintiff has filed his/her claims to redress his/her civil rights, and is unable to continue without appointment of counsel.

**II. FACTS** [Please fill in facts pertaining to the need for counsel.]

I need a attorney to help me properly litigate my  
Case, to help me understand the legal system a  
little better and to let me know my options  
With the civil proceeding and to properly bring  
My case to Court.

### III. DISCUSSION

In Tabron v. Grace, 6 F. 3d 147 (3d Cir. 1993), the Third Circuit outlined a set of factors a court must consider when determining whether to grant appointment of counsel in a civil case. As a threshold matter, a court must first determine whether there is some merit to the plaintiff's claim in fact or in law. Id. at 155. Here, there is merit in fact and law

because: I included Dates and times and Names of People Who will help me Prove my Case of Violation of my Constitutional rights.

---

A court then must examine a multitude of factors. The plaintiff's ability to present his/her case is a significant factor. Thus, a court should review plaintiff's literacy, education, legal experience, and ability to speak English. Id. at 156. In addition, a court evaluates whether the plaintiff can properly litigate his/her claim considering plaintiff's conditions of confinement and whether these conditions create a severe disadvantage to discovery. Id. Also the complexity of the legal issues and research, and any limitations affecting factual investigation are evaluated. Id. Finally a court looks to whether there is a credibility determination involved that requires experienced counsel to present evidence and conduct cross examination. Id. As a result the court determines whether these factors affect the ability to properly litigate the case. Id.

In the present case [*Explain any issues that were discussed above that apply to*

*you.*] Being as though Im in this facility is the reason I cant afford a attorney, I Dont have access to all the books I need the financial means to get copies

let alone transportation to libraries because of  
me not working. I'm barely making it out on my  
social passes because as we speak they continue  
to sabotage me. I had to beg for my welfare to  
be continued because I'm in this facility with health  
issues over active thyroid's so I have to eat when I go out  
and miss meals.

#### IV. CONCLUSION

In conclusion, the plaintiff is faced with barriers that prevent him/her from  
successfully litigating the case and therefore the Court should grant plaintiff's motion for  
appointment of counsel.

Respectfully submitted,

Rodrick Bray Boy

The reason for this grievance is that Ms. Zakia Johnson, from the Department of Corrections, has Violated my 4th, 8th, 14th, Amendment right under the United States Constitution. Ms. Zakia Johnson has Violated my 8th Amendment right by using, Cruel and Unusual Punishment by Violating my Dignity and Causing Me Humiliation. Ms. Zakia Johnson assisted and allowed CEC Centers Kintock, Coleman, and Cec Broad to tell staff and also inmates that I was charged with a indecent assault charges as a Juvenile. Ms. Zakia assisted by Moving Me to Different Facilities to further expose Me. When I was in these Different Facilities I was targeted by staff and discriminated against by my counselors. They discriminated against me by Sabotaging My employment by informing them of my Past Charges, Manipulating My ~~cases~~ ~~cases~~ cases, Being excessive when I came to paying my Court Cost and Fines by taking My Social ~~cases~~ ~~cases~~ cases. They was targeting Me through these rules by Depriving Me of my Privileges if I was cents short on My Payment when Kintock and also Cec Broad St. Was Not Paying My Court Cost and Fines. When I was moved to these Different Facilities they Violated My 4th Amendment right to Constant Unreasonable Searched all under the Watch of Ms. Zakia Johnson with the intent for me to receive a Disciplinary action. Ms. Zakia Johnson also uses manipulating the grievance process by Not properly Investigate grievances and also by Moving Me or the staff that I Filed a grievance against. Ms. Zakia Johnson Abused her Authority and Discreti and also Violated her Code of ethics and her employment contract. With this grievance I will provide you with Numerous grievances from Kintock and Cec Broad of Numerous Problems I was having. Ms. Zakia Johnson has been allowing these facilities and also my parole agent to Deprive Me of my furloughs, Sabotaging my Employment which prevents me from getting a home plan.

## Grievance

7/21/17

Page 6

Ms. Zakia Johnson has clearly been violating my Constitutional rights by Sabotaging me through these Facility staff. I also have been sabotaged also by My Parole agent Scilian, who I have to clear all my travel passes through my Parole agent Scilian for Out of County Work and Furloughs. I was eligible for a furlough on 4/17/17 Ms. Scilian or her Supervisor ~~Ms. Pierson~~ answered my calls for me to receive my furlough. In 4/17/17 I talked to Ms. Scilian and she asked for my phone number I gave it to her so apparently Ms. Scilian or Ms. Pierson was screening these calls because everybody else that was suppose to go on a furlough got a hold of them and went on these furloughs. It's apparent to me that Ms. Zakia Johnson ~~Does Not~~ Want me to receive a home plan or go on any furloughs I have been targeted by staff and My Parole agent so I can not receive these privileges when they are not successful in Sabotaging Me then refuse to respond to my request. I feel this is a abuse of authority because if I don't do what is requested by these authority figures I'm subject to disciplinary action and loss of privileges or sent back to Prison.

CASE NO: 17-4371

BRIEF IN SUPPORT OF PLAINTIFF'S MOTION  
FOR APPOINTMENT OF COUNSEL

**I. INTRODUCTION**

Plaintiff [name] Rodrick BrayBoy request that the Court to

consider the facts of the case and determine that appointment of counsel would promote the ends of justice. The plaintiff has filed his/her claims to redress his/her civil rights, and is unable to continue without appointment of counsel.

**II. FACTS** [Please fill in facts pertaining to the need for counsel.]

I need a attorney to help me properly litigate my  
Case, to help me understand the legal system a  
little better and to let me know my options  
With the Civil Proceeding and to properly bring  
My Case to Court.

### III. DISCUSSION

In Tabron v. Grace, 6 F. 3d 147 (3d Cir. 1993), the Third Circuit outlined a set of factors a court must consider when determining whether to grant appointment of counsel in a civil case. As a threshold matter, a court must first determine whether there is some merit to the plaintiff's claim in fact or in law. Id. at 155. Here, there is merit in fact and law

because: I included Dates and times and Names of People Who will help me Prove my Case of Violation of my Constitutional rights.

---

A court then must examine a multitude of factors. The plaintiff's ability to present his/her case is a significant factor. Thus, a court should review plaintiff's literacy, education, legal experience, and ability to speak English. Id. at 156. In addition, a court evaluates whether the plaintiff can properly litigate his/her claim considering plaintiff's conditions of confinement and whether these conditions create a severe disadvantage to discovery. Id. Also the complexity of the legal issues and research, and any limitations affecting factual investigation are evaluated. Id. Finally a court looks to whether there is a credibility determination involved that requires experienced counsel to present evidence and conduct cross examination. Id. As a result the court determines whether these factors affect the ability to properly litigate the case. Id.

In the present case [*Explain any issues that were discussed above that apply to*

*you.*] Being as though Im in this facility is the reason I cant afford a attorney, I Dont have access to all the books I need the financial means to get copies

let alone transportation to libraries because of  
me not working. I'm barely making it out on my  
social passes because as we speak they continue  
to sabotage me. I had to beg for my welfare to  
be continued because I'm in this facility with health  
issues over active thyroid's so I have to eat when I go out  
and miss meals.

#### IV. CONCLUSION

In conclusion, the plaintiff is faced with barriers that prevent him/her from  
successfully litigating the case and therefore the Court should grant plaintiff's motion for  
appointment of counsel.

Respectfully submitted,

Rodrick Bray Boy

The reason for this grievance is that Ms. Zakia Johnson, from the Department of Corrections, has Violated my 4th, 8th, 14th, Amendment right under the United States Constitution. Ms. Zakia Johnson has Violated my 8th Amendment right by using, Cruel and Unusual Punishment by Violating my Dignity and Causing Me Humiliation. Ms. Zakia Johnson assisted and allowed CEC Centers Kintock, Coleman, and Cec Broad to tell staff and also inmates that I was charged with a indecent assault charges as a Juvenile. Ms. Zakia assisted by Moving Me to Different Facilities to further expose Me. When I was in these Different Facilities I was targeted by staff and discriminated against by my counselors. They discriminated against me by Sabotaging My employment by informing them of my Past Charges, Manipulating My ~~cases~~ ~~cases~~ cases, Being excessive when I came to paying my Court Cost and Fines by taking My Social ~~cases~~ ~~cases~~ cases. They was targeting Me through these rules by Depriving Me of my Privileges if I was cents short on My Payment when Kintock and also Cec Broad St. Was Not Paying My Court Cost and Fines. When I was moved to these Different Facilities they Violated My 4th amendment right to Constant Unreasonable Searched all under the Watch of Ms. Zakia Johnson with the intent for me to receive a Disciplinary action. Ms. Zakia Johnson also uses manipulating the grievance process by Not properly Investigate grievances and also by Moving Me or the staff that I Filed a grievance against. Ms. Zakia Johnson Abused her Authority and Discreti and also Violated her Code of ethics and her employment contract. With this grievance I will provide you with Numerous grievances from Kintock and Cec Broad of Numerous Problems I was having. Ms. Zakia Johnson has been allowing these facilities and also my parole agent to Deprive Me of my furloughs, Sabotaging my Employment which prevents me from getting a home plan.

## GRIEVANCE

7/21/17

Page 2 of 2

Ms. Zakia Johnson has clearly been violating my Constitutional rights by Sabotaging me through these Facility staff. I also have been sabotaged also by My Parole agent Scilian, who I have to clear all my travel passes through my Parole agent Scilian for Out of County Work and Furloughs. I was eligible for a furlough on 4/17/17 Ms. Scilian or her Supervisor ~~Ms. Pierson~~ Ms. Pierson answered my calls for me to receive my furlough. In 4/17/17 I talked to Ms. Scilian and she asked for my phone number I gave it to her so apparently Ms. Scilian and Ms. Pierson was screening these calls because everybody ~~else~~ if them and went on there furloughs. It's apparent to me that Ms. Zakia Johnson ~~Does Not~~ Want me to receive a home plan or go on any furloughs I have been targeted by staff and My Parole agent so I can not receive these privileges when they are not successful in Sabotaging Me then refuse to respond to my request. I feel this is a abuse of authority because if I don't do what is requested by these authority figures I'm subject to disciplinary action and loss of privileges or sent back to Prison.

I was eligible for a furlough on 4/17/17 Ms. Scilian or her Supervisor ~~Ms. Pierson~~ Ms. Pierson answered my calls for me to receive my furlough. In 4/17/17 I talked to Ms. Scilian and she asked for my phone number I gave it to her so apparently Ms. Scilian and Ms. Pierson was screening these calls because everybody else that was suppose to go on a furlough got a hold of them and went on these furloughs. It's apparent to me that Ms. Zakia Johnson ~~Does Not~~ Want me to receive a home plan or go on any furloughs I have been targeted by staff and My Parole agent so I can not receive these privileges when they are not successful in Sabotaging Me then refuse to respond to my request. I feel this is a abuse of authority because If I Don't Do what is requested By these authority figures I'm Subject to Disciplinary action and loss of Privileges or Sent Back to Prison.

I received my initial response from the Grievance office/coordinate on 6/15/17 for the grievance filed on 4/21/17 and have the following issues to appeal.

1. According to DC-ADM-(C)(3) states: The staff Member who Series as the grievance officer shall not be directly involved in or Name as the subject of the grievance in Section A and/or B of DC-ADM-604, Part-1. This Policy and Procedure was Not Followed. When I was informed By Director, Dreisback That He turned the grievance I filed on 4/21/17 Over to Ms. Zakia Johnson Who in fact that grievance was about There for this grievance was Not Properly investigated and Violates Policy.

2. According to DC-ADM-(5)(g) states: The response shall be provide to the inmate with in 15 working days from the date the grievance was entered into the Automated Inmate grievance tracking. When the grievance office was well over this time line I Filed another grievance in reference to Violation of this Policy ON 5/25/17. I later received a phone call from Director Dreisback on 6/1/17 at 7:58 am, In which he explained to Me that He Did Not Know exact Details of the grievance and that He gave it to Ms. Zakia Johnson to handle. Ms. Zakia Johnson tried to manipulate the grievance Process By Not responding to the grievance until I called Her on 6/13/17 8:46 am and informed Her that I was Notified By Director Dreisback that she had ~~the~~ the grievance. I then received my Initial review response on 6/15/17 By CEC Broad Director, Clark. I never received my Initial review response for the appeal I Filed on 6/30/17 to Director Driesbach after writing and calling to request a response for the ~~the~~ issues that was not addressed in the grievance Filed on 4/21/17. Im Filing this appeal to again inform this office that Im being targeted By the Department of Correction by Richard Driesbach, Zakia Johnson and Im also am being targeted By the Pennsylvania board of Probation and Parole, agent Sicilian and also the Deputies that run that office Deputy Pullish and Deputy Cooper. They are violating my Constitutional rights and targeting me By:

1. Violating my 4th amend right By giving me unreasonable strip naked Searches on 1/11/17 and 1/13/17 at the Coleman Hall Center.

2. They Violated my 8th and 14th By sabotaging my Employment and my Homeplan in order to keep me in the halfway house to eventually send to send me back to prison. This is being done By informing staff and inmates and my employers about my last Criminal History. which Violates my 14th amendment equal Protection and also Discrimination and also 3. Due to this Im being targeted By local law enforcement to send me back to jail Because of last Criminal history Because of This.

4. The Department of Corrections and Pennsylvania Board of Probation and Parole are sabotaging my employment with the Ultimate goal is to keep me to pay money they know I Dont have to use this as a tactic to Violate my parole when they are in fact keeping me here.

5. On 6/14/17 I put in a homeplan to recovery house called Nu-stop they gave me Documentation telling Me that I was accepted into the Nu-stop Program I submitted the Homeplan Paper work

8/28/17

for my homeplan to my Parole agent sciliani on 6/14/17 and I also contacted Deputy Pullish from the Pennsylvania Board of Parole to inform to him that I submitted a Homeplan and I also explained to him of the Prior Problems I was having With agent sciliani he told me that Ms. sciliani Was no handling my Home Plan. When In fact agent sciliani is the one who handled my homeplan, even after receiving Documentation that I was accepted into this Program my Parole agent sciliani told me it was devised Because the Program Didnt answer the Phone, then it was that they Didnt have a Proper lease.

6. Ms. zakia Johnson violated my 14th amend by abusing her authority By Moving me to Different Parole Centers to further exploit this information about my Criminal Back ground.

7. Ms. zakia Johnson also allowed these staff to contact my employees With this information and also my Drug treatment Program, My therapist, my Doctors office.

8. I was informed by ~~Ms~~ zakia Johnson that they are suppose to inform the staff of this information theres nothing in the Policies that Says inform my employer, or inmates, or Doctors office etc. There is also Nothing in the Pennsylvania Board of Parole Policy that states this.

9. None of my grievances I sent to the Department of Correction Was Properly Investigated or responded to Because Ms. Zakia Johnson had them in her Possession While Director Dries backh Was Busy in the field Ms. Johnson Was investigating her self.

Agent Sciliani also has Deprived Me of my furlough status 2 of 2  
on 9/27/17 one day after I Put in a Pass To go to the District  
Court of Philadelphia to file a civil suit against her and  
her office. The reason I was told my furlough was taken  
away was because People Wasn't Putting in Home Plans  
When in fact I Put in a Home Plan on 7/14/17 in which  
Agent Sciliani Sabotaged By informing my Homeplan Providers  
of my Past Criminal History. This Is Part of the reason  
why Im Filing a Civil Suit against Her. Agent Sciliani  
also requested Verification of my Job When all she has to do  
is request Weekly Pay stubs I Submit to my Counselor  
along With my rent Money Order or Actually Contact  
My Job herself Because she stated she didnt know  
where I Work When she actually Documents every  
Month where I work. I would like to ask that Mls  
Sciliani stop Harassing me for retaliation reasons.
